Raven Tree Gathering Place will be moving at the end of October. You are invited to attend this fire ceremony to help gather the good impressions we have built here and carry them on to a new location!

Eric will lead this drumming circle and sacred fire ceremony for healing and cleansing. He will present an introduction to the traditions of the shamanic journey and fire ceremony to enable participants to overcome obstacles on the path to bliss. Eric will also be blessing medicine bags and sharing sacred ash from the fire ceremony.

The ceremony will build to an expression of gratitude with dancing, drumming, singing and celebrating. You are welcome to bring drums and instruments.
